

-M COMMUNICATIONS CABLE WIRING DIAGRAM

Notes :

- A maximum of 32 controllers can be connected to 1 communication chain
- The total length of cable on 1 chain cannot exceed 5,000 ft.
- Dialer controllers may require a different wiring diagram, contact Calsense at 800-372-8608 for more information.

Continue Paige P-7171-D cable in conduit to other controller sites (if necessary)
